

Who is SACA?

The Southeastern Arizona Contractors Association, "SACA", was established in 1977.

SACA's membership is made up of licensed contractors, suppliers, and businesses that support the construction industry.

SACA is actively involved with the Registrar of Contractors and local government planning and zoning committees.

SACA also sponsors the annual SACA Home & Garden Show giving our community the opportunity to connect with builders, home improvement products, remodelers, landscapers, and more.

SACA's charitable partners include :

- *Special Olympics*
- *Honor Flight of Southern Arizona*
- *Buena & Tombstone High School Project Graduation*
- *Good Neighbor Alliance*
- *Cochise County 4-H.*

The annual Charity Golf Classic raises the necessary funds to support these important community charities.
